THE BEST CHRISTMAS PRESENT

To Your FRIEND or KINSMAN Abroad is a YEAR'S SUBSCRIPTION to

COUNTRY LIFE

WITHIN the next few days you will have to decide what New Year's Gift to send to your friends abroad. There is no paper published that brings the home country so close to the English-speaking nations as do the weekly issues of "Country Life." Each number gives the feel of the homeland—its country houses large and small, sport, natural history with superb photographs of birds and of big game, pedigree stock, all that is finest in English art, and the illustrations of the country houses that are to let or for sale—all bring the home life of England directly before the reader.

Therefore, a gift of a year's subscription to "Country Life" is like sending overseas, week by week, all the year "a bit of England itself." Lastly, your subscription gift is a week by week reminder of the giver.

Send us a cheque for 71/- (60/- for Canada) with the name and address of your friend, and we will start the subscription with the first week in the New Year, sending with the first copy, a greeting card in your name.
